**Helen Thorne, Reading Group Volunteer, shares her thoughts on reading groups:**

*"No skill is more crucial to the future of a child, or to a democratic and prosperous society, than literacy."*

- Los Angeles Times, "A Child Literacy Initiative for the Greater Los Angeles Area"

Students are receiving so much help from the most amazing teachers and volunteers at PHBGU. The ability to speak and read a foreign language will give them such a huge advantage over their contemporaries in later life. This is why, as a reader at PHBGU and constant supporter of their fantastic work, am asking you to PLEASE consider donating one or more books on their wish list. It WILL make a difference.
