

**International Women's Day 2025 Friday 7th March 2025 at the Courtyard by Marriott
Phuket Town from 11:30 to 15:00**

While enjoying lunch we will hear from inspirational speakers, open the floor for guests to share experiences, and discuss how we can all play a part in accelerating action on women's equality.

Everyone everywhere has the power to **#AccelerateAction** for women's equality, from the smallest everyday actions to challenging large-scale systematic inequality. At the current rate of progress, it will take 134 years, which is roughly five generations from now, to reach full gender parity in 2158*. Focusing on the need to Accelerate Action emphasises the importance of taking swift and decisive steps to achieve gender equality. This year's International Women's Day is calling for increased momentum and urgency in addressing the systemic barriers and biases that women face, both in personal and professional spheres. So join us to hear from our panel of experts and join discussions on how we can Accelerate Action and speed up the rate of progress worldwide and in our local community.

The event is open to all, regardless of gender, for a donation of 2,000 Thai Baht a seat or 18,000 for a table of 10.

Through this event we hope to bring together 200 like-minded guests and raise 450,000 Thai Baht to pay for an English Teacher for a year for disadvantaged children in Kamala School.

Special thanks to the Courtyard by Marriott Phuket Town, the Australian Consulate-General and all speakers. We look forward to seeing you there!
